Safety Tips
STLCOP is dedicated to providing a safe learning and work environment for students, faculty, staff, and visitors. You can help by taking a few simple steps to stay safe.

- Lock all doors and windows after parking.
- If available, secure the vehicle with an electronic alarm.
- Do not leave valuables in plain sight. Store them in the trunk or glovebox.
- When driving, keep your doors locked.
- Always remain alert when in parking areas.
- If you believe that you are being followed, do not drive to your parking area. Instead, drive to the Security Base Station or a local police department.
- Report any campus lighting or other security concerns that may require immediate attention.
- Report any suspicious behaviors or circumstances to Security Services.
- Immediately report any vehicle break-ins or property damage to Security Services.

More Safety Resources
Security Services provides a variety of services to students, faculty, and staff to promote campus safety. Campus safety escorts, lost and found, vehicle jump starts, and assistance with vehicle lockouts are provided to the campus community at no charge.

Visit stlcop.edu/safety to learn more.

Getting Here
St. Louis College of Pharmacy is located in St. Louis’ Central West End, one of the most charming and vibrant of the city’s 79 neighborhoods. The College is perfectly located to provide globally prominent education, practice and research opportunities to members of the campus community.

Detailed campus maps and directions can be found online at stlcop.edu/maps.

Be Aware of Construction
Construction is currently underway on campus and in several locations throughout the Central West End. Before traveling to campus, check traffic maps and construction updates for information on current closures and obstructions.

STLCOP Garage Address
4531 Children’s Place
St. Louis, Missouri 63110-1088

Duncan Garage Address
4456 Duncan Ave.
St. Louis MO 63110
Where can I learn more?
Visit stlcop.edu/parking to access complete parking regulations, and maps.

Permit Regulations
All faculty, staff, and students on campus are required to obtain a permit to park a motor vehicle on campus. Only one parking permit will be issued per person.

Note: Receipt of a parking permit does not guarantee the availability of a specific parking space on campus.

Parking on College property is at the owner’s risk, and St. Louis College of Pharmacy assumes no responsibility for loss or damage to any vehicles parked on College property, or personal property left within, on, or around vehicles.

Revenues collected for parking permit fines contribute to maintenance, improvements, additions to existing parking areas, and the regulation of parking and traffic throughout campus.

Where to Park
Your hangtag corresponds with your parking assignment. You are required to park in your designated garage during normal business hours (7 a.m.-3 p.m., Monday-Friday). All permit holders are able to park in the STLCOP Garage outside of normal business hours.

- Weekdays: 3 p.m.-7 a.m.
- Weekends: 3 p.m. Friday-7 a.m. Monday

Hangtag Display
Hangtags must be clearly displayed on the rearview mirror forward facing/facing out of the permit holder’s registered vehicle. A vehicle with an improperly displayed permit will be subject to citation. Hangtags are provided at no cost; however, lost or damaged permits will be replaced at a cost of $10.

Faculty, staff, or students with outstanding fines will not be issued a hangtag until fines are paid.

About Us
The Office of Parking, Transportation, and Access Services, within the Division of College Services, is responsible for the administration and enforcement of parking regulations. Anyone operating a motor vehicle on campus is responsible for reading and adhering to regulations.
